

Envision Prep CHARTER SCHOOL

We support all types of learners.

ALL Kids Can Achieve at High Levels!

A DIVERSE STUDENT POPULATION

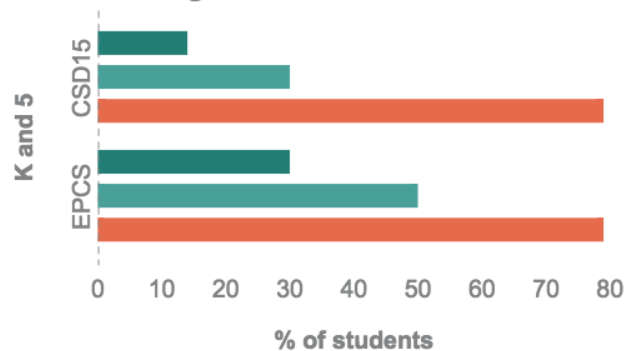

At Envision Prep, we believe that a diverse student population makes our school stronger. We are committed to serving all students, including those that have special needs, are learning English as a second language, and those whom have complex learning needs.

PREFERENCE

Although Envision Prep is a lottery-based school, preference will be given to students who qualify for Free and Reduced Price Lunch, siblings, students with special needs, English Language Learners and children of staff. Envision Prep will set enrollment quotas to ensure that at least 30% of students have an IEP and at least 50% qualify for ESL services in Year 1.

Striving to Serve ALL Students

■ IEP ■ ESL ■ FRPL

We believe that learning is the result of effort, strong character, and a commitment to excellence. We strive to support students and families from all backgrounds to show these traits in and out of school.
